Artist **Joyce Danko** exhibits her latest collection of "alla prima" canine portraits titled "For the Love of DOG" in Fountain Hill, near downtown Bethlehem, PA.

The "dog" has long been a favorite subject to demonstrate Joyce's preferred traditional oil painting methods. The concept for this series of more direct painting grew from a 2 hour demo Joyce performed the end of April and she began enlisting images from friends and fellow artists. "I wanted to express that emotional bond, when the camera captures that moment of eye contact between dog and owner, or best friend."

The 40+ new paintings will be exhibited from **August 13 thru August 20, 2016** at the Art Establishment Gallery, 945 Broadway, Fountain Hill, PA 18015. Telephone [610-807-9201](tel:610-807-9201). There will be an **opening reception, with the artist, on Saturday, August 13 from 6-9pm**. All welcome.

Painting Critique Session with Dot Bunn -

Monday August 29 – 9:30 to 12:30 - \$25.00

An art critique is an evaluation of a work of art. Dot will critique and discuss what is working in your painting, what is not working and suggestions on ways to improve as you go forward. You may bring any paintings or drawings that you are currently working on, older paintings you have not been able to finish, or material you are thinking of painting. Artists often get too close to their own work, this critique offers you a chance to step back, measure your success and discuss problems as you go forward. Dot will discuss at least two pieces from each artist. After that she will critique as many as time will allow. You are welcome to stay and listen as she talks about all the work brought in. Learn to control value, color harmony and compositional elements when working from photography. The basis of a good painting is composition and value control so emphasis will be placed on getting the foundation established. Working from your photograph or a choice of classic Bucks County landscape images, students will paint using traditional oil painting methods. There will be demonstrations of techniques throughout the classes. All levels are welcome.

ARTIST OPPORTUNITIES:

SEEKING ARTIST PARTICIPATION AT

“DISCOVER DOYLESTOWN - FIRST SUNDAY CELEBRATION”

- What is First Sunday Celebration?
- The 1st Sunday of each month, participating businesses in Doylestown will partner with artists in hosting family-friendly events focused on the arts from 12 noon to 4pm.
- These events will include artists' live painting, exhibitions, art demonstrations, interactive arts & crafts for kids, musicians and so much more.
- All events will take place within or on merchants' property, and will not take place in common public spaces like the Starbucks parking lot.
- Doylestown will do a dry run on Sunday August 7th, and will have a main kickoff on Sunday September 4th.
- Time will be promoted as 12 noon - 4pm.
- For the remainder of 2016 they will run this event in September, October, November, and then resume again in the spring of 2017.
- The events will be promoted heavily through social media and digital advertising, press release to the local and regional media, posters as well as promotion through local sites such as Patch, Visit Bucks County etc.

Artists interested in participating in this monthly event are asked to send an email to info@stephanieislle.com with the following information:

Your name, art medium, contact information, details on your participation preference (i.e. meet the artist and the art, live demonstration, plein air painting etc), and which months you are available. You will only be added to the list if this information is available.

- A collective list of interested artists will be distributed to the merchants, who in turn will contact you directly to work out all details. In order to avoid a run on the same venues, businesses will pick the artists, not the other way around. Please know all participating merchants are in the center of Doylestown and have equal visibility and advertising.
- This could be a great opportunity to establish long lasting relationships or just to give this event a try and see if this is for you. There is no long-term commitment, you tell us which months you are available and a business will contact you if interested. There is no guaranteed placement, as each business will have to find the perfect fit based on availability.
- Students, professionals and amateurs are all welcome

Call for Photography:
TRANSFORMATIONS
AN EXHIBITION OF THE IMAGINATION

If you have been rejected from other shows or your work questioned because you use textures, composites, filters, or any of the other wonderful tools available to create your own vision, then you have found your home! Welcome to TRANSFORMATIONS!

Following the huge success of our AMERICANA Exhibition, The Pennsylvania Center For Photography in Doylestown and Stephanie Lisle - Promotion of the Arts are pleased to announce TRANSFORMATIONS, a juried exhibition that pays tribute to the vision and skills of photographers who freely express their creativity by whatever means they choose.

The only requirements are that the images must be two-dimensional and have started life in a camera. You can modify or create the physical environment, apply in-camera techniques, or use post processing to realize your own artistic reality. We are a very inclusive organization, so any degree of alteration from mild to extreme is welcome in our show.

Once again, we will be running a print exhibition and digital exhibition concurrently. The deadline for entries is September 25, 2016 and another rousing reception will open the show on November 4, 2016. Exhibition dates are November 4 - 20, 2016.
